

Medical Insurance Payments

Benefits for oral surgery can be set up with your employer as a “stand alone” policy or “bundled” with your medical plan. Therefore, ONLY if your plan is “bundled” we will submit to medical. Initials_____.

I understand that my dental insurance may require that my procedure be submitted to my medical carrier before they will consider reimbursement. Initials_____.

I understand that BWS Oral Surgery **DOES NOT** participate with any medical plans including MEDICARE. Initials_____.

I understand that any payment to me by my medical carrier is due to BWS Oral Surgery and that I will sign over the check and forward the check and explanation of benefits to BWS Oral Surgery as soon as I receive it. BWS Oral Surgery will then forward the EOB to my dental carrier so that my claim can be considered by my dental carrier for reimbursement. Initials_____.

I understand that if my medical carrier applies payment toward my deductible and my dental insurance considers that reimbursement and if my dental insurance decreases the amount they reimburse then I am responsible for the amount paid toward my medical deductible. Initials_____.

I understand that failure to do this will negate the agreement between BWS Oral Surgery and myself to participate with my dental insurance and leave me fully responsible for the entire bill.
